
Minnesota Society of Medical Assistants (MSMA)

INTENT TO RUN FOR DELEGATE OR ALTERNATE DELEGATE

The number of delegates permitted in the House of Delegates session is determined by the American Association of Medical Assistants (AAMA) and is based on a state's current membership.

The first two (2) delegates are the MSMA President and President Elect. The remaining delegates will be chosen, through a voting process, by state members at the annual MSMA spring conference. Delegates are elected for a one (1) year term and represent ALL Medical Assistants in the State of Minnesota during their term.

Before completing the intent to run for delegate form, make sure you review the delegate/alternate delegate policies and contract. Delegates and alternate delegates are the voice of the MSMA at the national conference so it's important you understand your role and how important it is for our state society.

I, _____, am a member in good standing of the American Association of Medical Assistants (AAMA). I would like the opportunity to represent my state society in the AAMA House of Delegates (HOD) at the National Conference.
